

Our New Child

We raise our child towards Heaven

This is a gift from You

Let this child be a great blessing to the world

Oh, oh, oh, oh Lord, we pray this child be a blessing

This is a new journey of life

For you our precious baby

Let God be praised

We hope you grow in wisdom

In good health and prosperity

Let God be praised

Goodness of God be with you

As you grow gradually

Let God be praised

Let God be praised

Edumare bless our new child

There's still hope for you

Your tears will end

God can still work a miracle

Do your best and hope in God
