

Light a Candle

We all have lost someone dear to us
Tears run down my eyes
When I remember my loved ones that have passed
Let's celebrate them all with this song

My soul dey heavy for the people we lost

Iku doro

Light, light, light your candle

Iku doro

Stay, stay, stay sober

Iku doro

Pray, pray, pray for their souls

Iku doro

Till we meet again

Till we meet again

Keep resting in power

ASORO ile 'bukun ni
Ile didan, at' ile ewa
'Gbagbogbon l' a nso t'ogo re;
Y'o ti dun to lati de 'be!

A ns' oro ita wura re,
Oso odi re ti ko l' egbe;
'Faiji re ko se f' enu so;
Y'o ti dun to lati de 'be!

My dey heavy for the people we lost

Iku doro

Light, light, light your candle

Iku doro

Stay, stay, stay sober

Iku doro

Pray, pray, pray for their souls

Iku doro

Till we meet again

Till we meet again

Keep resting in power

No one knows the time to die

Even though we know many things

We don't know when we say our final words

Let's create room for love

Forgive your brother

Forgive your sister

Hug your mother

Hug your father

Don't keep malice for too long

Life is so flimsy, be loveable

My soul dey heavy for the people we lost

Iku doro

Light, light, light your candle

Iku doro

Stay, stay, stay sober

Iku doro

Pray, pray, pray for their souls

Iku doro

Till we meet again

Till we meet again

Keep resting in power

ASORO ile 'bukun ni

Ile didan, at' ile ewa

'Gbagbogbon l' a nso t'ogo re;

Y'o ti dun to lati de 'be!

A ns' oro ita wura re,

Oso odi re ti ko l' egbe;

'Faiji re ko se f' enu so;

Y'o ti dun to lati de 'be!

We are all just passing by

This earth is not really our home

Everything we have is borrowed

Let's love each other more

Embrace your brother

Embrace your sister

call your mother

call your father

Don't create hatred in your heart

Life is so short, be kind always

My soul dey heavy for the people we lost

Iku doro

Light, light, light your candle

Iku doro

Stay, stay, stay sober

Iku doro

Pray, pray, pray for their souls

Iku doro

Till we meet again

Till we meet again

Keep resting in power

A ns' oro ita wura re,
Oso odi re ti ko l' egbe;
'Faiji re ko se f' enu so;
Y'o ti dun to lati de 'be!

A o pade lese Oluwa

Nibiti akoni yarawa

We shall meet at God's presence

Where we shall part no more

Let's celebrate each other now

We don't know when our time on earth will be over

Oma she ooo

Light a Candle (112)
