

Lonely At The Top

Eni mamu omi inu apata

Koni wo enu ake o

Eni ma gun apata

Koni wo isale o

To become great in life no be garri

To become great in life, e no easy ooo

E no easy to become a man

It's lonely at the top

E no easy to be a boss

It's lonely at the top

E no easy to get this money

It's lonely at the top

E no easy to be influential

It's lonely at the top

E no easy to become great

It's lonely at the top

It's lonely at the top

It's lonely at the top

It's lonely at the top

It's lonely at the top

Many people want to become great in life

Yet, they don't want to pay the price to become great

They make so many wishes

They make so many excuses
They make so many procrastination
Finally, they settle for less in life
No, no, no
Finally, they settle for less in life

Eni mamu omi inu apata
Koni wo enu ake o
Eni ma gun apata
Koni wo isale o
To become great in life no be garri
To become great in life, e no easy ooo

E no easy to become a man
It's lonely at the top
E no easy to be a boss
It's lonely at the top
E no easy to get this money
It's lonely at the top
E no easy to be influential
It's lonely at the top
E no easy to become great
It's lonely at the top
It's lonely at the top
It's lonely at the top
It's lonely at the top
It's lonely at the top

Smart people will make it to the top
Nice, they pay the price to get to the top
People will surely hate them
People will say they are greedy
Gradually, they become champions in life
Yea, yea, yea
Gradually, they become champions in life
Yea, yea, yea

Eni mamu omi inu apata
Koni wo enu ake o
Eni ma gun apata
Koni wo isale o
To become great in life no be garri
To become great in life, e no easy ooo

E no easy to become a man
It's lonely at the top
E no easy to be a boss
It's lonely at the top
E no easy to get this money
It's lonely at the top
E no easy to be influential
It's lonely at the top
E no easy to become great
It's lonely at the top
It's lonely at the top

It's lonely at the top

It's lonely at the top

It's lonely at the top
